

**ASSUMPTION OF RISK AGREEMENT TO HOLD HARMLESS
AND EMERGENCY RELEASE FORM**

As the parent/legal guardian of the student named here _____ (child's name), I authorize my child to participate in a before or after-school sponsored activity at Ranch Creek Elementary School.

I understand that school nurses are not on duty before or after school hours and that in the event of a medical emergency, school staff will call 911 and parent/guardian. I understand that the health room is not open before or after school hours, therefore I agree that if an inhaler or epi-pen has been prescribed for my child, I will provide those, and further acknowledge that my child has been authorized to self-carry by a health care provider. No medication will be administered by school staff during the before or after-school activity time. If medication is necessary for the child during the before or after-school activity, the parent/legal guardian agree to assume responsibility for administering the medication outside of normal school hours.

Additionally, by signing below, the parent/legal guardian, grants permission to an emergency health care provider to secure proper treatment for the student and the parent/legal guardian agrees to assume all costs of such treatment.

Students participating in the before or after-school activity must obey all safety rules and must follow the school's code of conduct and behavior expectations.
