

Art to Remember

The last day to place a late order is January 11. Any late orders will be delivered after Winter Break. You can also pay extra to have them delivered to your house.

If you lost or did not receive an order form please contact me at lisa.coyle@asd20.org and I can locate your child's online order code for you.

All orders were done online this year. If you wish to pay another way you can contact Art to Remember at 317-855-6008.

This is the webpage address to place an online order:

Let me know if you have any questions or need help with the ordering process.
